C. L. C. CIRCLE RESUMES SESSION.

After a lapse of a month or more the C. L. C. circle resumed meetings yesterday, enjoying the afternoon as the guests of Mrs. William D'Autremont, who entertained in her home, 708 Fourth street, Moline. The ladies spent a most enjoyable time with their fancy work to occupy their fingers while they visited after a long time of separation. The hostess' small son Harold delighted with a number of piano numbers. The house was brightened with flowers, red carnations that filled a basket being used in the living room and in the dining room where a two-course lunch was served the table had as its centerpiece a cut glass vase filled with the red blossoms. The club will be entertained in two weeks in the home of Mrs. George Henning, 1118 Third street, Moline, when two new members will be welcomed into the club.

STUDENTS OF CLUB MEET TOMORROW.

The student members of the Rock Island Musical club who have been doing such efficient work under the direction of Mrs. A. D. Huesing, Jr., will meet for study meeting tomorrow in the home of Mrs. Huesing, 1225 Fourteenth and a half street. A short program has been arranged as follows: Piano, "The Ghost Dance," (Solisbury)—Celeste Olson. Voice, "Within the Garden of My Heart" (Scott); "Mary Jane" (Clark)—Clara Lange. Violin, "Humoresque" (Dvorak)—Mildred Winter. The study will be on the life and works of Chopin. Members of the department are asked to make a special effort to be present as they will practice for a chorus and in preparation for a program to be given before the Rock Island Musical club in the near future.

PIERCE-SCHAFFSTALL.

Last evening a simple wedding was celebrated when Rev. M. E. Chatley of the Memorial Christian church united in marriage Miss Gladys Schaffstall, only daughter of Mr. and Mrs. S. S. Schaffstall of Hopeville, Iowa, and Harry S. Pierce, son of Mr. and Mrs. S. H. Pierce, 924 Fifteenth street. The ceremony took place in the home of the bride's sister, Mrs. W. L. Ayers, 932 Fifteenth street, this city, members of the immediate families being the guests.

The bride wore a gown of blue silk and lace. Following the ceremony a two-course luncheon was served in the dining room where the bride's chosen colors pink and white, were carried out, the table having a centerpiece of pink and white carnations. The color

scheme was also carried out in the ices and cakes. Mr. Pierce is employed as traveling freight agent for the Burlington in this city. His bride was for a time employed in the office of Modern Woodmen and for the last two years has been a teacher in the schools near Hopeville. Mr. and Mrs. Pierce will reside at 1130 Fifteenth street, where they have already gone to housekeeping.

MINNEAPOLIS ORCHESTRA COMING.

The Tri-City Musical association will hold its first May festival in the Davenport coliseum Thursday and Friday, May 11 and 12, with one afternoon and two evening programs by the Minneapolis Symphony orchestra.

The tri-cities have had a number of May festivals in past years or more or less moment but this will be the first under the management of the Tri-City Musical association organized last year. The establishment of a musical festival as an event of the spring season was one of the main objects of the organizations of the musical societies of the three cities. The Minneapolis Symphony orchestra is so well known in the community that no further comment is necessary, its high standard being a guarantee for its programs and soloists. Emil Oberhofer will be the conductor as in former years. The soloists will be Louis Graveure, baritone, called the sensation of the year because of his wonderful success and the receptions accorded him all over the country; Albert Lundquist, the celebrated young American tenor who sang with such success at the production of J. Victor Bergquist's oratorio, "Golgatha"; Leonore A. Allen, soprano; Jean Vincent Cooper, contralto, who won the \$3,000 scholarship prize for the most beautiful American voice among 400 applicants; Cornelius Van Vleet, cellist and Richard Czerwonky, violinist.

All the programs will be given in the Davenport coliseum because it is the largest auditorium in the three cities, and its great seating capacity makes possible the exceptionally reasonable price of \$2.50 a ticket for the course of three performances. But to make the festival a success 1,000 season tickets must be sold. Tickets will be sold and reservations made in each of the three cities and the members of the association are planning for a thorough and active campaign. The house will be so proportioned that seats will be equally good whether sold in Rock Island, Moline or Davenport.

There was a meeting of the executive board of the association at the New Harper when arrangements were made for the coming of the or-

chestra. It was decided to give the public a chance to suggest some of the program numbers and further announcement will be made of this later.

Mrs. W. H. Guthrie of Moline was named as chairman of the social committee to succeed Mrs. B. J. Lachner whose death the association mourns. Following is the personnel of the Tri-City Musical association in charge of the festival arrangements:

HEART and HOME PROBLEMS

MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: (1) Will you kindly tell me what the proper answer is for "How do you do?"

(2) Is a girl of 17 too young to correspond with boys?

(3) How should a girl address a boy friend in letters?

(4) Is it proper to give a boy friend a snapshot of yourself?

(5) Is it proper to wave your hand at a boy friend off the street car or across the street?

(6) When entering an attorney's office, should one rap before going in or walk in, since there is no sign on the door to walk in?

RESPECTFULLY YOURS.

(1) Repeat "How do you do?" or say "Good morning," "Good afternoon" or "Good evening," as the occasion requires. "How do you do?" is a salute and should be answered with one.

(2) No.

(3) "My Dear Don" or "Dear Don."

(4) Yes.

(5) No. Simply smile and nod your head slightly.

(6) Walk into a place of business without rapping.

Dear Mrs. Thompson: (1) In having wedding invitations printed should the groom or the bride's parents pay the printing charges?

(2) Is it proper for the bride to buy the groom's ring?

(3) Does dandruff cause the hair to fall? If so, is cocoa oil good to stop it? How often should the hair be washed when using any kind of oil?

BRUNETTE.

(1) The bride's parents should pay the printing charges.

(2) The bride buys the groom's ring in the double ring ceremony, otherwise there would be no sentiment connected with his ring.

(3) Wash the hair in pure castile soap melted in hot water. Massage after drying with liquid vaseline. Move the fingers from the wrists when loosening the scalp free from the head. This will stop the hair from falling. The dandruff is clogging the pores and preventing the circulation of the blood. Use more massage than grease and do not let the vaseline spread over the hair, as it collects dust and makes the hair dull and soiled looking.

I have never heard of cocoa oil as a dandruff remedy.

Wash the hair about once in two weeks.

Dear Mrs. Thompson: (1) I am 18 years old and have been going steady with a man about five years my senior. Do you think him too old for me to go with?

HOUSEHOLD HINTS

THINGS WORTH KNOWING.

Home Greenery—When you buy dried peas for table try planting a few in a pot. You will be surprised how quickly they grow and what a pretty plant you can have in the house these cold days for a few pennies.

When Hanging Out Clothes—You always experience great discomfort hanging clothes out of doors in cold weather. Fill a hot water bottle about two-thirds full of water as hot as you dare put into it, cork it tightly and drop it into your clothesline apron. Every time your hands become a little cold reach into the clothesline apron and hold them on the hot bag for a few seconds. When they are comfortable again proceed with your work. It doesn't take nearly so long as one might imagine and the wash is hung on the line in comfort. During the coldest weather wash all your clothes before hanging out, thus lessening the danger of taking cold by going from steamy washroom into the cold air.

When Buying New Underwear begin by sewing on bands or bindings on machine (they most always rip if you don't); then sew on all buttons securely and fasten buttonhole ends. Have ready a pair of nice hot socks, in which work the new underwear. Rinse well and hang to dry. They are more sanitary, besides being easier washed, as the new fabric seems harder to get clean if used before washing.

Children love sugared doughnuts and it takes only a brief bit of time to sugar them. Put a small amount

of confectioner's sugar in a paper bag, then drop in four or five warm doughnuts, and, closing top of bag, give them a good shaking. They come out evenly coated and are always welcome.

On dark days, when one has trouble threading a sewing machine, take a small, ordinary sewing needle and thread it. You can thread the machine in all parts till you get to the needle, and that can be plainly seen by placing something white back of it.

SIMPLE HOME REMEDIES.

For Bronchitis, Colds, Sore Throat (external use only)—Mix one and one-half cups lard with one ounce camphor gum; add one tablespoon laudanum, one tablespoon soda, one tablespoon quinine, one tablespoon cod oil, one teaspoon carbolic acid. Put over slow fire in granite kettle and let come to a boil. Beat it while cooking. Use to grease the chest and back between the shoulders. Cover over, in severe cases, with a flannel.

When baby has colic, try giving him five drops of essence of anise in three tablespoons warm water and one-fourth to one-half teaspoon sugar. It is mild and pleasant and will relieve pain without any bad after result.

In cases of illness where patients are too weak to rise up to take a drink, try using clean wheat or rye straw instead of a drinking cup. Place water on a stand near bed and patient can drink freely while lying on his side, without strangling. Milk broth or egg-nog can be taken the same way.

BACKACHE, PAIN IN SIDE, RHEUMATISM.

Dear Mr. Editor:

For a long time I suffered from backache, pain in left side, frequent urination (bothering me at all times during the day and night), and the uric acid in my blood caused me to suffer from rheumatism along with a constant tired, worn-out feeling. I heard of the new discovery of Dr. Pierce of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., called "Anuric," and obtaining these tablets I at once began their use. After giving "Anuric" a good trial I believe it to be the best kidney remedy on the market today. I have tried other kidney medicines, but these "Anuric Tablets" of Dr. Pierce's are the only ones, in my opinion, that will cure kidney and bladder troubles.

(Signed) HENRY A. LOVE.

Note—Experiments at Dr. Pierce's hospital for several years proved that

"Anuric" is 37 times more active than Lithia in expelling poisons from body. For those easily recognized symptoms of inflammation—as backache, scaling urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, it is simply wonderful how surely "Anuric" acts. The best of results are always obtained in cases of acute rheumatism in the joints, in gravel and gout, and invariably the pains and stiffness which so frequently and persistently accompany the disease rapidly disappear. Send 10c for large trial package or go to your nearest drug store and simply ask for a 50-cent package of "Anuric" manufactured by Dr. Pierce. If you suspect kidney or bladder trouble, send him a sample of your water and describe symptoms. Dr. Pierce's chemist will report to you without fee or any charge whatever.—(Adv.)
